For cremations, the service at the crematorium is normally included. If you don't want a service at all (which may upset people) let us know. If you want a Church service at extra cost, let us know. We can offer Direct Cremation plans where there is no service, but they will upset those left behind in many cases. You can buy plans for family members or others. **Please do make notes overleaf.**

Some more things that will add to the cost:

Green Funerals, special coffins, flowers, memorials, wakes

Special hearses or special journeys for the deceased.

Repatriation if you die abroad may be covered by your travel insurance – if it is not, it will be very expensive!

*Burial: graves are usually leased and not purchased, an existing grave may or may not have the right to further burials. Plans cover only the cost of digging and refilling graves.

Undertakers will always recommend non essential extras at the time – leave your instructions now!
